EXT. DESERT LANDSCAPE - EVENING

The sun hangs low in the sky, easing off the blessed heat that's baked the earth so dry.

Stillness.

Suddenly, SHUFFLING FEET break the silence and alert birds to flee from their perch.

A figure reveals himself rounding the bend. It's DAVYD.

DAVYD
So hot. So, so hot.

Davyd reaches to unbutton the top button of his signature WHITE SHIRT. A lavalliere microphone still hangs from the fabric.

Faint VOICES chime on the wind.

ALEC (V.O.)
All of Taylor Swift's music
suddenly vanished over night.

Davyd shuffles forward.

DAVYD
So thirsty...

ALEC (V.O.)
All that remains is a message that
says "Meet at the White Horse Ranch
in the Arizona desert."

Davyd falls to his knees. Panting.

ALEC (V.O.)
With us now is Davyd, a man who
took the pilgrimage to Arizona to
live with and follow the teachings
of Taylor Swift.

DAVYD (V.O.)
Her name is Mother Swift now.

DAVYD
Can't go on... So far...

Davyd claws forward, grasping at boulders.

ALEC
Taylor Swift's reach has become
inescapable.
(MORE)

ALEC (CONT'D)
She's recently kidnapped prominent
NoHo socialite, Topanga Canyon.

DAVYD (V.O.)
Taylor Swift doesn't kidnap
anybody! I do! For HER!

Davyd presses on, each grasp slower and more labored than the last.

He pauses and looks up, taking in his surroundings.

DAVYD
So this is where it all ends...

He grasps forward with one last herculean claw forward.

DAVYD (V.O.)
Yes! Yes I decided to cut my balls
off. I'm castrated for HER!

Davyd has reached an impassible cliff. He looks out at the view, it's beautiful.

He laughs to himself, and drops his head to the ground.
Exhausted. Defeated.

DAVYD (V.O.)
Tell my parents I love them! But
don't tell them about my balls!

Suddenly, the crunch of footsteps alert Davyd, his eyes roll back into focus.

The feet come to a stop inches from Davyd's face.

A chilled BOTTLE OF WATER drops right in front of Davyd's nose.

ALEC (O.S.)
I kept your secret, Davyd.

Davyd reaches out for the water and slowly sits up. He can only make out a silhouette of a man towering above him.

ALEC (CONT'D)
We never told your parents about
your balls.

Davyd guzzles water from the bottle, as ALEC reaches his hand down to help Davyd up.

Davyd grabs Alec's hand and rises as they both look out past the cliff's edge.

Alec strikes a triumphant pose standing tall with his hands on his hips.

ALEC (CONT'D)
We're going back for Topanga.

DAVYD
NOW?!

Alec nods.

Davyd drops his arms in defeat.
