EXT. POOLSIDE

A microphone is thrust in RBG's face

BOY
Justice Ginsburg, what are your
thoughts on the gay marriage case.

RBG is dismissive.

RBG
I love them, now shoo shoo.

The boy thrusts the microphone back in her face.

BOY
But, are you worried about
conservative opposition?

RBG
Look, I got Scallia wrapped around
my little finger on this one.
(beat)
And they're arguments are:

RBG shrugs and waves her hands uncontrollably in front of her
to signify the 'nothing' that the conservatives have to argue
with.

BOY
Please don't ever die.

RBG
Don't intend to, honey.

RBG does a heroic wink into the camera.

Freeze frame. Good bad and Ugly sound.

 with attitude!
 (beat)
 Is running for president.
 (beat)
 Yes, he's the candidate with the
 most fiscally responsible haircut
 since Van Buren, and an honest to
 god Socialist.
