

But I'm also not hear to talk about
my entirely satiable love for men.
I am satisfied biweekly by my
husband and that is all a married
Christian woman needs.

Don't let the haircut fool you,
America. Joni. Ernst. Loves.
Normal. **Married**. Bedroom shit.

(beat)

I'm not even interested in the **50**
Shades of Grey movie. Not one bit.

If someone were to ask me what Ben-
Wa Balls were. I would say Ben-Wa-
tchu talking about there, fine sir?
