FADE IN:

EXT. ALLEY WAY - EVENING

TOPANGA is mindlessly walking along an alley, eyes glued to her SMARTPHONE.

The street is empty.

Suddenly DAVID runs past Topanga, stopping when he realizes who he's just seen. He begins creeping up, attempting to verify if it's her without her seeing.

Topanga is lost to her smartphone.

David is certain it's her, and grabs her in a bear hug.

She SCREECHES.

Topanga looks back and suddenly realizes she's seen her captor before.

TOPANGA
You again?!

David lifts Topanga and begins carrying her towards the getaway vehicle.

DAVID
Oh no Topanga! This is a GOOD kidnapping!

In the distance, ALEC and CHIP are lounging on the getaway vehicle. The car doors are all wide open.

Chip notices David and Topanga approaching. He alerts Alec.

CHIP
The eunuch has the tart!

Chip and Alec scramble into the two front seats.

David releases Topanga and begins straightening her clothes.

Topanga is annoyed and slaps away David's hands.

The two get in the car and slam the doors.

CUT TO:

INT. GETAWAY CAR - CONTINUOUS

Chip is driving.

ALEC

Shit, we passed the In-n-out!

David is staring intensely at Topanga as she is lost within her phone.

Topanga feels David's stare and looks up. Annoyed.

TOPANGA

What?!

David snaps out of his stare.

DAVID

Has anyone ever mentioned that you bear a striking resemblance to Mother Swift?

Topanga chews her gum and stares blankly.

TOPANGA

Who?

David is taken aback.

DAVID

Moth- I mean, Taylor Swift. You know, pop princess, America's sweetheart, secret underground cult leader?!

TOPANGA

Oh, yeah. I guess...

Topanga dismissively looks down at her phone as she finishes her sentence.

David sneaks a look at Topanga's phone.

DAVID

Are you tweeting?

TOPANGA

Yeah, my followers are hungry for content. The WiFi at that resort sucked!

(beat)

Just wait for my yelp review. It's gonna be scaaaaaathing....

David is shocked!

DAVID

Resort?!

(beat)

We were just held against our will
for MONTHS!

TOPANGA

Yeah, but I lost seven pounds.

DAVID

I LOST MY BALLS!

Topanga does that lean-away-look-down-look-up lady-scoff
move.

TOPANGA

Sucks.

Topanga goes back to typing.

David tries about seven times to make a word.

DAVID

They made me cut them off! FOR HER!
Everyone had to! It was MANDATORY!
The first thing they suggested:
BALLS!

(beat)

What was your sacrifice?

Topanga looks up. Agitated.

TOPANGA

I spent THREE WEEKS without my dry
shampoo.

Topanga leans in and whispers, her eyes go wide.

TOPANGA (CONT'D)

(sotto)

It was horrible.

Topanga leans back and David's eyes go wide. His mouth drops.

DAVID

(sotto)

You weren't affected at all.

Topanga goes back to looking at her phone. David squints as
he thinks.

DAVID (CONT'D)
But how? How could this be?
(beat)
Unless.

His eyes light up.

DAVID (CONT'D)
You're more powerful than Mother
Swift.
(sotto)
The prophecy!

ALEC (O.S.)
You guys want a burger?
