INT. PRODUCER BOB'S OFFICE - DAY

BOB is sitting, watching YouTube footage of the Alec
Protests.

Bob is holding a Magic 8 Ball, shaking it nervously.

Bob gulps.

Then he flips the Magic 8 Ball and looks down at it.

INSERT: Better Not Tell You Now.

BOB

Dammit!

(beat)

Fine.

He throws the toy off to the side as there's a thud at the
door.

ALEC (O.S.)

(muffled)

The fuck?

Bob gets up, unlocks the door and swings it open.

ALEC is standing in the doorway, rubbing his shoulder.

ALEC (CONT'D)

Since when did you start locking
your door?

Bob looks like a surprised bird.

BOB

Since these protesters!

(beat)

Since **you**, Alec.

(beat)

(MORE)

BOB (CONT'D)
 Since you used municipal airwaves
 to further your personal vendetta
 against-

Alec waves Bob off and enters the office.

Alec sits at Bob's desk and throws his legs up like he owns
 the place.

ALEC
 Alright, so when can I start
 telling the news again?

BOB
 You CAN'T, Alec.

ALEC
 (dismissive)
 I am a Reidel.

BOB
 You were fired.

ALEC
 But I was right!

Alec waves it off.

BOB
 You **ARE** terminated.

Alec still just doesn't get it.

BOB (CONT'D)
 Kicked to the curb.
 (beat)
 Forced out!
 (beat)
 Sacked!
 (beat)
 We found someone else!

Alec stands abruptly and leans in.

ALEC
 You what?
 (beat)
 Bob?!

Bob looks down and draws with his finger on his desk.

BOB

Look, I just don't need the kind of stress you welcome upon me with such striking reliability day in and day out, Alec.

Alec doesn't let Bob's information sink in.

ALEC

Who are they?

Bob looks up.

BOB

A hotshot duo out of Des Moines.

Alec looks shocked.

ALEC

Iowa?

(beat)

A duo?!

Bob nods.

BOB

Dane Argyle and Kelly Mae Greenblatt.

(beat)

They poll well in a very similar demographic.

ALEC

How similar?

BOB

Close.

(beat)

Ish.

ALEC

Shit.

BOB

You've been replaced.

ALEC

I was right!

BOB

Not for seven o'clock.

ALEC

I was right!

BOB
You started an episode by saying
"Fuck You!"

ALEC
It was a term of endearment!

BOB
It was an FCC violation!
(beat)
Do you know how much the fine cost
this show?
(beat)
Do you?!

ALEC
\$27,500.
(beat)
To hell with the FCC.
(beat)
I was right.

Bob throws his arms up.

BOB
It doesn't matter.

Alec collapses into the chair and looks to the ground.

ALEC
(to himself)
Doesn't matter.

BOB
Yeah, and you need to go. They're
about to get here and I don't want
your protesters attacking them.

Alec gets up, dejected starts towards the door.

ALEC
Fine.

As Alec passes Bob:

BOB
You'll find a way to make it
matter.
(beat)
You always do.

EXT. NOHO RAG STUDIOS - (MACY'S) - DAY

DANE and KELLY MAE approach the main studios outside. They pause. Dane looks to Kelly Mae.

DANE
Damn! That's a big station!

Kelly Mae looks to Dane.

KELLY MAE
Think they're compensating for something?

Dane confirms bluntly.

DANE
Oh yeah.
