EXT. BURBANK - MORNING

D.W. BURBANK

Heya pal, looks like someone's got
the grumps.

(beat)

What's the matter? NoHo run ya out?

(beat)

There's no need to be down

(beat)

When you're in **Burbank!**

Alec rises to his feet. D.W. throws his arm around him and
wave a great gesture towards Burbank.

D.W. BURBANK (CONT'D)

Here in Burbank, we're very clean.

D.W. pulls his hand off Alec's shoulder and rubs thumb to
finger as he frowns at Alec.

D.W. BURBANK (CONT'D)

All of our carts have been
returned.

(beat)

Our municipal service.

(beat)

Is the best in the valley.

D.W. leads Alec through parks and various locals around
Burbank. At one point, D.W. tries to cheer Alec up.

D.W. BURBANK (CONT'D)

We have cuisine from every culture.

(beat)

It's pretty much a better EPCOT.

(beat)

And the crown jewel, here in
Burbank.

(beat)

The furnisher of modern life...

(beat)

The great IKEA.

D.W. pants slightly as he's out of breath. Then he leans in.

D.W. BURBANK (CONT'D)

(sotto)

Do you wanna know a secret?

D.W. pulls back and throws his arms wide.

D.W. BURBANK (CONT'D)

We're getting another one!

D.W. Reaches forward and grabs both of Alec's arms.

D.W. BURBANK (CONT'D)
A bigger one.
(beat)
Come let me show you!

D.W. Wisks Alec away.

EXT. CONSTRUCTION SITE

D.W. stands with Alec at the perimeter fence of the site of the new IKEA. D.W. stands proud with his hands on his hips.

D.W. Marvels at the progress.

D.W. BURBANK
Isn't it beautiful?

D.W. leans in.

D.W. BURBANK (CONT'D)
It's going to be the biggest in the
whole world!

ALEC
That is an impressive feat of
engineering.

D.W. BURBANK
So what's your story friend?

Alec straightens himself up, pulls his tie back up tight for the first time on this journey. He holds up a finger.

ALEC
My name is Alec Reidel.
(beat)
And the news runs in my family.
(beat)
From newsreels to the newspaper.
(beat)
And now we are broadcast daily.
(beat)
We brought the world to NoHo.
(beat)
With biting social commentary.
(beat)
Ratings dipped when truth was told.
(beat)
But I kept pushing forward, so
(MORE)

ALEC (CONT'D)

(beat)

They took my own show from me.

(beat)

And they gave it to two imbecils.

(beat)

And then they ran me out of town

(beat)

Even though I was right.

D.W. BURBANK

But it really doesn't matter.

ALEC

What? It really doesn't matter?

D.W. BURBANK

No, it really doesn't matter.

(beat)

This particular
