EXT. NOHO RAG STUDIOS

Alec walks away dejected.

EXT. NOHO AT LARGE

Shots of Alec's feet walking pensively. Then elbow pad and hand swinging. Alec fingers the cut in his jacket.

EXT. BURBANK WELCOME SIGN ON CHANDLER

Alec takes full frame at the Burbank Welcome sign.

ALEC
(with a sigh)
It's come to this.

Alec enters Burbank.

EXT. BURBANK AT LARGE

The Spoke Zaruthustra by Deodato

Alec wanders the streets of Burbank in slow motion. Heaving "What the fucks" and general disdain at various things in burbank.

A trio of shots with Alec in front of Train Hobby stores.

EXT. ALLEY - DAY FOR NIGHT

Alec stumbles in to frame, more disoriented than tired. He sees a can on fire with a man warming his hands.

Alec approaches.

MAN
I hate these chilly Burbank nights.

Alec begins rubbing his hands over the fire next to the man.

MAN (CONT'D)
Damn near 40.
(beat)
But what are you gonna do?

ALEC
Been here long?

MAN
Yeah. Too long.

Pause.

Alec commiserates.

ALEC
How do you do it?

The guy laughs.

MAN
When I find out, I'll tell ya.

Alec laughs.

Pause. Alec and the man have a moment to simmer.

ALEC
Is this it?

MAN
Jesus man, you didn't ask me my
name yet!
(beat)
Manners.
(beat)
Bill Sampson.
(beat)
The world's shit, ain't it.

Alec looks into the fire.

ALEC
Yeah. Looks that way.

Bill leans in.

MAN
You only lost your show.
(beat)
You kept your integrity.

Alec is shocked.

ALEC
You know who I am?

BILL
Yes. Even in the far away land of
Burbank. I have heard your name,
Alec.

Alec throws his thumb over his shoulder.

ALEC
They think I'm the devil.

BILL
Good! Wear it with pride.

ALEC
Hard to feel pride while hunched
over a burning garbage can.

BILL
Ouch! There you go again!
(beat)
Manners!
(beat)
This is my home!

ALEC
Sorry. It's just.
(beat)
I'm a news man, who can't tell the
news!

BILL
But did you really want to?
(beat)
Sometimes it seemed like you were
really trapped behind that desk.

ALEC
I was proud at the helm.

BILL
You were comfortable!
(beat)
Like a baby bird in the nest.

ALEC
There were protesters!

BILL
And they kicked you out of the
nest.
(beat)
Time to fly.

ALEC
You're right.

BILL
You don't need a news program to
make news.

Bill hands Alec a GUN.

ALEC
What the fuck?!

Bill pushes Alec off with a message, Alec walks away as Bill shouts louder and louder.

BILL
The world is shit, Alec!
(beat)
There's no use trying to change
that.
(beat)
Either play by their rules, or get
out!

Alec walks out of frame.
