

EXT. MOUNTAINTOP OVERLOOKING NOHO - DUSK

Alec stands, chest out, defiant. He looks out on the skyline of NoHo.

ALEC
My city.
(beat)
You've failed me.

CUT TO:

INT. NEWS FOOTAGE MONTAGE

First channel. Chloe. National news.

CHLOE
A loose cannon local newscaster
went on a profane sixteen-minute
rant.
(beat)
And yes there was nudity. And yes
we have a clip, but I must warn
you, what you are about to see is
disturbing.

INT. NOHO STUDIO

ALEC
It's so god damn old testament how
we obsessively consume violence yet
everyone gets fucking pissy if I
show you... This.

A pair of boobs appear over Alec's shoulder.

ALEC (CONT'D)
Now, let's all take a deep breath.
(beat)
Has anyone died?

INT. CHLOE

CHLOE
Despicable.
(beat)
Let's take some calls!

INT. SECOND CHANEL. TOM. LATE NIGHT SHOW.

Tom stands delivering a monologue.

TOM

Can you believe it?! This will be the first time in NoHo history that the beloved NoHo Rag will sail on without a Reidel at the helm.

Crowd sound: Gasp

TOM (CONT'D)

Now folks, I'm not saying Alec Reidel has squandered his family legacy, but somebody is sitting at his family's Thanksgiving kiddie table!

Crowd sound: Cheer!

INT. THIRD CHANEL. CAITLIN. THE BURBANK VISTA.

Caitlin leans on a table, sloshing a glass of wine.

CAITLIN

Now, have you heard what passes for news in NoHo?

(sotto)

The city of scoundrels.

The crowd erupts and Caitlin shooshes them.

CAITLIN (CONT'D)

I know! This, this, this Reidel character thinks he can just go on our municipal airwaves and talk about the nipples!

INT. JOHN QUINCY STEAMBERG - GOOD WAY SEX EMPORIUM

John stands at the till, dildo on the counter, a wall of sin behind.

JOHN

Yeah, I knew that man was a pervert when he interviewed me, the second he mentioned anal beads!

(beat)

I felt it as he looked upon me with those suppressive eyes...

INT. CHLOE - NATIONAL NEWS

CHLOE
My take: The guy is just expressing
his first amendment rights.

A guy is on the phone.

GUY (V.O.)
Oh that's bull-

CUT TO:

INT. CAITLIN

CAITLIN
He scarred thousands of children,
and for what?!

INT. TOM

Hey if I want to see boobs at 7,
I'll watch Wheel of Fortune!

Cut back to Tom enjoying the joke too much.

Cut back to Ed.
