EXT. BENCH

SOPHIE sits smoking staring just left of camera looking melancholy holding a book open on her lap.

GUY (O.S.)
Sophie, what are you reading?

Sophie locks her on the guy off screen.

SOPHIE
Oh I'm not reading. I was smoking
my galwaz while sipping my latte
and I spilled my **parfait** all over
my lap!
(beat)
Good thing I found this book on the
bench:

Sophie holds up the book, the title: Mein Kampf.

SOPHIE (CONT'D)
I haven't read it, but I hear it's
a lot of complaining.

Sophie puts the book down on the bench.

GUY (O.S.)
What are you doing today?

SOPHIE
I'm a rose waiting to be plucked.

GUY (O.S.)
But Sophie, that's what you said
last week.

Sophie lilts.

SOPHIE
You never know when you will melt a
man's heart, you must always be
ready. Here, let me show you.

EXT. COFFEE SHOP - DAY

Sophie sits latte on the table, cigarette in hand.

SOPHIE (V.O.)
Opening number. The gaze.
(beat)
When you see a man you desire, do
not look.
(MORE)

SOPHIE (V.O.) (CONT'D)
 Wait until you feel the heat of his
 glance. Wear it around you like
 your grandmother's silk scarf.
 (beat)
 Feels good, doesn't it?

A man stands not far from Sophie, wearing a scarf, skinny jeans and holding a latte. He goes from staring off into the middle distance to locking his gaze on Sophie.

Sophie drinks in the feel of the man's gaze.

SOPHIE (V.O.)
 Once the heat becomes unbearable
 and you feel like perspiring...
 DON'T!
 (beat)
 Instead, turn your gaze to your
 future lover with the intensity of
 a swiss avalanche. Your glance will
 trample his heart like a foolish
 mountaineer under twenty feet of
 fresh powder.
 (beat)
 Delicately divert your attention to
 the scraps your croissant.

WAITRESS enters and attempts to remove the croissant from the table.

SOPHIE (V.O.)
 Savor the crumbs like fine caviar.
 (beat)
 Not too fast! Allow the flakes of
 the croissant to dance upon your
 lower lip. Then lap them up with
 your tongue.
 (after)
 After all, you are a kitty cat.

GUY (V.O.)
 Sophie, my kitten. He's looking at
 you...

Sophie winks to the camera.

SOPHIE
 (sotto)
 Perfect.

Sophie turns her gaze to the man.

SOPHIE (V.O.)
Interlude. Verbal Foreplay.
(beat)
All words shall be spoken as
whisper, so he must lean in and
savor the sweetness of your breath.

Sophie whispers to the man unintelligibly. The man leans in
and walks towards Sophie.

SOPHIE
And perhaps notice your nipple that
has chosen to say hello.

Sophie sits with her chest jutting out as the man can't help
but look.

SOPHIE (CONT'D)
How french.

Sophie gives a proud perky pout.

MAN
Pardon me, might I take your last
packet of-

SOPHIE & MAN
Sugar

Both Sophie and the man give a look of surprise.

SOPHIE (V.O.)
If we share the same word we're
guaranteed to share life's greatest
pleasure: orgasm.
(beat)
Synchronicity achieved.
(beat)
Phase three. Commence.

Both reach for the sugar and accidentally graze hands.

SOPHIE (V.O.)
First contact.
(beat)
Electric. And oddly familiar. A
rush of past love.

The man pulls away.

Sophie smirks.

SOPHIE (V.O.)
He's overwhelmed. Good.

The man and Sophie lock gaze.

Waitress enters.

WAITRESS

Alright guys, my shift is ending.
Do you need anything else?

Sophie turns and looks.

SOPHIE

No, I'm completely satisfied.

WAITRESS

(annoyed)
So just a coffee and pastry?

SOPHIE

And a parfait!

Waitress turns and storms out.

WAITRESS

Fucking french people...

Sophie turns to camera.

SOPHIE

And now. The final chapter.
(beat)
Secure the deal. Make him never
forget you. Stick yourself into his
mind. Consume his thoughts.
(beat)
Destroy him. With your kiss.

Sophie stands and turns to the man.

SOPHIE (V.O.)

First make eye contact, linger two
seconds too long.
(beat)
Look away. Let a thought that is
only yours make you smile.
(beat)
Good, his curiosity is perked.
(beat)
His defenses have fallen.
(beat)
Take your prize.

As Sophie leans in, she has a neurotic explosion.

SOPHIE (V.O.)
 Don't. Stop. He's a mystery. What
 if he has a wife. And children.
 (beat)
 It's perfect.

Sophie is resolute.

SOPHIE
 Fuck it.

They kiss.

SOPHIE (V.O.)
 Kiss him like you approach life:
 with cinematic flair. You must be
 unforgettable, both to the man
 clinging to your lips and to those
 lucky enough to pass by at this
 exquisite moment.

GUY (V.O.)
 But Sophie, he doesn't even know
 your name! Will you leave him your
 number.

EXT. BENCH - DAY

Sophie sits on the bench, cigarette in hand. She stares
 confidently into the camera.

SOPHIE
 If it's meant to be, he'll find
 you.

GUY (V.O.)
 And what if he doesn't?

SOPHIE
 Fuck it.
